

Welcome to **ROKU TV**

Roku & Spectrum TV Short Cuts

Power on the TV* and wait for the Roku TV to start up.

From the main menu (**Roku Home**), select the Spectrum TV app to watch live TV.

* Some TV have a separate remote. Use the TV remote to power on the TV and adjust volume. Leave TV source on HDMI 1 !

- **Close/Back Arrow:** Opens the Spectrum TV main menu. Also used to return to the previous screen.
- **Left Navigation Arrow:** Displays available programming while you're watching Live TV. Also opens **Filters** while viewing channel listings.
- **Down Navigation Arrow:** Shows program details.

Watch Live TV:

- 1 Press the **Close/Back** arrow to view the Spectrum TV main menu, then select **Watch Live TV**.
- 2 Use the **Left** arrow to view channel listings.
- 3 Use the **Up** and **Down** arrows to browse available titles.
- 4 Press **OK** to select a title and begin watching.

To access the Guide:

- 1 Press the **Close/Back** arrow on your Roku remote to view the Spectrum TV main menu and then select **Guide**.
- 2 Use the navigation arrows to browse available titles.
- 3 Press **OK** to select a title and begin watching or save it to your **Watchlist**.

Live programs marked with a **Restart** arrow are also available On Demand, which allows you to watch the title from the beginning. You may not have the option to pause, rewind or fast forward all Live TV content due to programming restrictions.

To access On Demand:

- 1 Press the **Close/Back** arrow on your Roku remote to view the Spectrum TV main menu and then select **On Demand**.
- 2 Use the **Navigation** arrows to browse available titles by genre.
- 3 Press **OK** to select a title and begin watching now or save it to your **Watchlist**.

Roku TV Apps

Feel free to use any of the available Roku streaming apps (Netflix, Hulu, ...) using your own account. Don't forget to sign out at the end of your stay.

Enjoy the Roku TV Experience

! Please, do NOT tamper with any settings and do NOT remove any apps !
